

# How to Submit Your Senior Photo & Baby Photo

1. Choose one senior photo and one baby photo to represent you in the yearbook. Choose a high quality photo that will reproduce well. If possible have a professional photo taken. A head shot or  $\frac{3}{4}$  body shot is best. Remember, we will shrink this photo to about  $1\frac{1}{2}$  by 2 inches, a full body shot will not show details. The school dress code applies.
2. Save both photos where you can easily find them, like on the desktop of your computer.
3. Go on-line to Yearbookforever.com
4. Enter Foster as the school name. As soon as it pops up you can click on Foster High School

5. Click on the blue letters that say "Community Up-load"

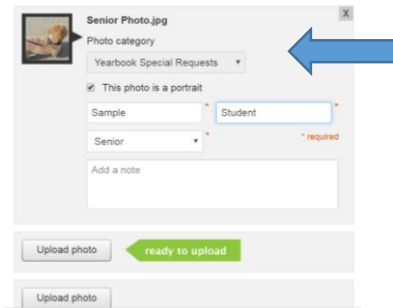

6. Enter the school access code bulldogs18

7. Click Upload photo to select your first photo
